

Bhutanese secondary distribution box manufacturer supplies

Overview

Price Of Bhutanese Secondary Distribution Box Buyers & Importers. If you can supply this products, please let me know your supply price (by CIF at Qingda.

Key Takeaways

Bhutan has several verified manufacturers and suppliers of electrical products, including secondary distribution boxes, accessible through local directories and trade platforms. Key Supplier Directories

- **Bhutan Standards Bureau – Electrical Products Data** The Bhutan Standards Bureau maintains a list of electrical product suppliers, including companies in Thimphu, Phuntsholing, Gelephu, Samdrup Jongkhar, and other regions. Notable suppliers include Samling Electrics, J.D Enterprise, Chimi Yamyang Pvt. Ltd., Perfect Builders Store Ltd., and T.D Enterprise. These companies provide electrical distribution equipment and related products, and their contact details are publicly available for direct inquiries (bsb.gov.bt) .
- **ExportHub – Bhutan B2B Marketplace** ExportHub connects international buyers with Bhutanese manufacturers and suppliers. It allows you to search for electrical equipment suppliers, including secondary distribution boxes, and provides company profiles, product images, and contact information for sourcing directly from Bhutanese manufacturers (exporthub.com) .

- **Volza – Verified Bhutanese Exporters** Volza offers a comprehensive directory of 3,084 active Bhutanese exporters, including electrical product manufacturers. The platform provides detailed company profiles, HS codes, export volumes, shipment history, and verified decision-maker contacts, enabling targeted outreach to suppliers of secondary distribution boxes (volza.com) .
 - **Bhutan Industry Product Directory** The Department of Industry in Bhutan maintains an online product directory featuring locally manufactured products with at least 40% domestic value addition. This directory includes electrical products and allows buyers to view product images, pricing, and supplier contact details (industry.gov.bt) .
- Recommended Steps for Sourcing**
- **Identify Suppliers:** Use the Bhutan Standards Bureau or Volza to filter suppliers by product type (secondary distribution boxes) and location.
 - **Verify Compliance:** Ensure suppliers meet Bhutanese quality standards and certifications for electrical equipment.
 - **Direct Contact:** Reach out via email or phone to request product specifications, pricing, and minimum order quantities.
 - **Compare Options:** Evaluate multiple suppliers to ensure competitive pricing and reliable delivery schedules. By leveraging these directories and platforms, you can efficiently identify and connect with reliable Bhutanese manufacturers and suppliers of secondary distribution boxes for both domestic and international procurement.
