Overview

chilean-cable-trays-in-stock | B2B companies and suppliers | europagesSince 1982, VALDINOX has been designing and manufacturing wire mesh cable trays, supp.

Key Takeaways

You can obtain cable tray quotations in Chile from multiple manufacturers and suppliers offering a variety of materials, sizes, and configurations.Key Suppliers and Manufacturers

- Brilltech Engineers Pvt. Ltd. Offers high-quality cable trays in Chile made from galvanized steel, stainless steel, and fiberglass. Their trays are designed for durability, safety, and efficient cable management, including perforated options for improved airflow. They provide installation support, system design assistance, and product selection guidance. You can request a quotation by contacting their sales team directly through their website .
- Jeetmull Jaichandlall (P) Ltd. Specializes in customizable cable trays in various sizes, shapes, and colors. Their manufacturing facility uses modern equipment to ensure high-quality production. They cater to industries such as construction, mining, automotive, and architecture. Quotations can be requested for tailored solutions to meet specific project requirements .
- Cable House Recognized as a leading cable tray manufacturer and exporter in Chile, offering durable and reliable trays. They provide a comprehensive range of products at competitive market prices and can handle bulk orders. Enquiries for quotations can be submitted directly through their website .

- ExportHub and Europages Platforms like ExportHub and Europages list multiple Chilean cable tray suppliers and importers. You can compare prices, request quotations, and contact suppliers directly for bulk or specialized orders .

Tips for Requesting a Quotation

- Specify the type of cable tray (perforated, ladder, wire mesh, or solid bottom).
- Include material preference (galvanized steel, stainless steel, fiberglass).
- Provide dimensions, load requirements, and quantity.
- Ask about delivery timelines, installation support, and warranty.
- Compare multiple suppliers to ensure competitive pricing and compliance with industry standards. By reaching out to these suppliers with your project specifications, you can obtain accurate quotations and select the best cable tray solution for your needs in Chile .
