

Dutch enclosed cable tray manufacturer

Overview

With cable duct (Tray or Lock) you ensure maximum protection and the cables are routed out of sight.

Key Takeaways

Key Dutch manufacturers of enclosed cable trays include CC Nederland B.V., Gouda Holland B.V., and Staalbouw Dijkstra, offering stainless steel, aluminum, and custom solutions.

CC Nederland B.V.

CC Nederland produces SILTEC stainless steel cable trays with excellent corrosion resistance and durability. Their trays are available in lengths of 3000 mm, widths from 25 mm to 600 mm, and heights from 25 mm to 125 mm. They offer rounded designs and patented locking systems for secure fastening and easy maintenance. Custom dimensions can also be produced, making them suitable for industrial, marine, and machine-building applications .

Gouda Holland B.V.

Gouda Holland specializes in enclosed cable ducts, available in both Tray and Lock versions. The Tray is a light-duty option, while the Lock comes in medium and heavy-duty versions. These systems are fully closable with covers, lid clamps, or quick-release fasteners, and include integrated coupling connections for sturdy construction. Materials include various metals and glass fiber reinforced polyester (Poly Niedax EBO), suitable for industrial, marine, and machine-building environments .

Staalbouw Dijkstra

Staalbouw Dijkstra manufactures and supplies cable trays in all formats, including aluminum, stainless steel, and steel options. They provide fast delivery across the Netherlands and can accommodate custom sizes for specific installation requirements .

Additional Resources

For a broader overview of Dutch cable tray suppliers, Trademo lists verified manufacturers and suppliers in the Netherlands, providing shipment data, trade volumes, and company profiles. This can help identify additional sourcing options and compare product offerings .

These manufacturers provide enclosed cable tray solutions suitable for a wide range of applications, including industrial installations, infrastructure projects, and specialized environments requiring corrosion resistance and secure cable management.
