

EU MPO fiber optic patch cord supplier

Overview

How to Select Certified MPO/MTP Patch Cord Suppliers | 2026 A professional procurement guide on evaluating and selecting certified MPO/MTP fiber optic patchc.

Key Takeaways

Key EU manufacturers of MPO fiber optic patch cords include GETEKnet, Optosun, Q-Fiber, and Fibre2EU, offering customizable solutions for data centers, telecom, and FTTH applications.

GETEKnet

GETEKnet is a professional OEM fiber patch cord manufacturer supplying standard, drop cable, and MPO fiber optic patch cords. They provide single-mode and multimode options, with simplex and duplex configurations suitable for both short-distance and long-haul applications. Their MPO patch cords can be customized in terms of length, jacket material (PVC or LSZH), and fiber type (G.652D, G.657A1/A2). GETEKnet emphasizes UV resistance, weatherproofing, and bend-insensitive fibers, making their products suitable for indoor and outdoor deployments .

Optosun

Optosun offers a wide range of fiber optic patch cords including MPO/MTP types. They provide both standard and customized solutions, supporting various fiber types, lengths, and connector options. Their MPO patch cords are designed for high-performance applications in data centers and telecom networks, ensuring low-loss transmission and reliable connectivity .

Q-Fiber

Q-Fiber specializes in high-quality MPO/MTP patch cords using premium components such as Japanese MPO connectors or US Conec MTP connectors. They offer custom configurations with up to 24 fibers per MPO/MTP connector, multiple cable types (flat, ribbon, round), and LSOH jackets. Q-Fiber products comply with PN-EN 61754-7, PN-EN 50377-15-1, IEC PAS 61755-3-31, and RoHS standards, and are suitable for telecommunications, data centers, LAN, MAN, WAN, and FTTX applications .

Fibre2EU

Fibre2EU provides cost-effective, high-quality fiber optic solutions with production facilities in China and Vietnam, serving the EU market. They have a monthly production capacity of 3.5 million terminations, offering MPO patch cords among other fiber optic products. Their focus is on scalable manufacturing and competitive pricing for large-scale deployments .

Summary

For EU-based or EU-serving MPO fiber optic patch cord needs, GETEKnet, Optosun, Q-Fiber, and Fibre2EU are reliable options. They provide customizable lengths, fiber types, connector options, and compliance with international standards, making them suitable for data centers, telecom networks, and FTTX projects. Depending on your requirements, you can select a manufacturer based on quality, customization, production capacity, and delivery capabilities.
