

Gaoyou Cable Tray Processing Plant

Overview

What year was Gaoyou City Jinguo Cable Material Factory Co., Ltd. started? The company was started in 2005-01-21.

Key Takeaways

Gaoyou hosts several cable tray manufacturing facilities, including Gaoyou Tongde and Jinguo Cable Material Factories, specializing in high-quality cable management systems and processing services. Overview of Gaoyou Cable Tray Manufacturers

Gaoyou, located in Jiangsu Province, China, is home to multiple cable tray production facilities that focus on manufacturing, processing, and supplying cable management systems. Notable companies include Gaoyou Tongde Cable Materials Factory and Gaoyou City Jinguo Cable Material Factory . These factories operate as limited liability companies and are involved in the production of electrical equipment, cable materials, and related processing services.

Products and Services

The plants in Gaoyou typically produce a variety of cable trays, including:

- Ladder Cable Trays: Ideal for heavy-duty industrial applications.
- Perforated Cable Trays: Provide ventilation and heat dissipation for electrical wiring.

- **Solid Bottom Cable Trays:** Offer full protection for sensitive cables. These facilities also provide customization services, allowing clients to request specific dimensions, materials, or designs to meet project requirements . Materials commonly used include galvanized steel, stainless steel, and aluminum, ensuring durability and long-term reliability.

Production Capabilities

Gaoyou cable tray plants are equipped with modern manufacturing equipment, such as:

- Automatic production lines for high-volume efficiency.
- Welding and stamping areas for strong, precise fabrication.
- Bending machines and powder coating systems to ensure quality shaping and corrosion resistance . These capabilities allow the plants to handle both standard and large-scale industrial projects, including commercial buildings, data centers, and power infrastructure.

Quality and Compliance

Manufacturers in Gaoyou emphasize quality control and technical support, adhering to industry standards for safety and performance. They provide detailed installation guidelines, troubleshooting support, and ongoing maintenance advice to ensure optimal cable tray performance . Some factories also offer OEM and ODM services, supporting global supply and customized solutions .

Business Considerations

When evaluating a Gaoyou cable tray processing plant, it is important to consider:

- **Company type and registration:** Both Tongde and Jinguo operate as limited liability companies with proper licensing for manufacturing and import/export activities .
- **Production scale and workforce:** Larger facilities with automated lines can handle high-volume orders efficiently.
- **Customization and technical support:** Essential for projects requiring specific designs or compliance with international standards. Overall, Gaoyou's cable tray processing plants provide a reliable source for high-quality cable management systems, combining modern manufacturing technology with flexible customization and strong technical support.
