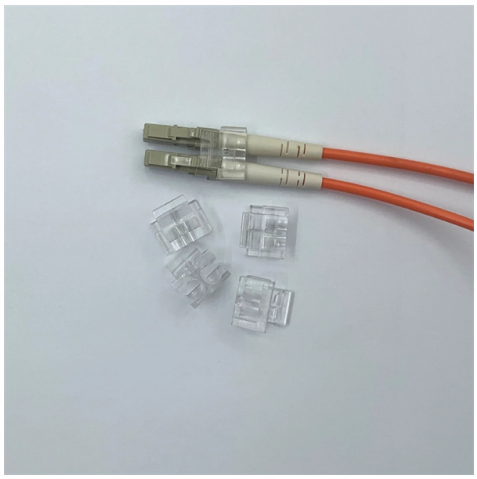
List of Moldova Explosion-proof Distribution Box Manufacturers



Overview

Sell Moldova Explosion Proof Distribution Box Manufacturer in bulk to verified buyers and importers.

Key Takeaways

Key suppliers in Moldova include BARTEC, Extol International, and distributors offering European brands like Schneider Electric and Lovato Electric, all providing ATEX- and IECEx-certified explosion-proof distribution solutions.Local and Regional Suppliers

• BARTEC BARTEC offers a wide range of explosion-proof and substance-resistant components, including low-voltage switchgears, power distribution boards, and junction boxes suitable for hazardous Zone 1 and Zone 2 environments. Their products cover protection types such as Ex d (flameproof), Ex e (increased safety), Ex i (intrinsically safe), and Ex p (pressurized housing). They also provide customized solutions, installation, commissioning, and maintenance services, ensuring compliance with international standards and long-term reliability .

• Extol International Extol International supplies ATEX-certified explosion-proof control panels and distribution boards for indoor and outdoor applications. Their products are available in stainless steel, aluminium, and cast iron, with protection ratings from IP42 to IP66. They specialize in Ex d / Ex'de flameproof designs suitable for Zone 1 (21) and Zone 2 (22) hazardous areas, offering multiple sizes and materials to meet industrial requirements .

• Local Distributors of European Brands Several Moldovan companies provide direct supplies from well-known European manufacturers such as Schneider Electric, Lovato Electric, Relpol, and ABB. These distributors offer a range of electrical equipment, including explosion-proof switchgears, motor control centers, and power distribution boards, often with technical support and advisory services for industrial and energy applications .
Certification and Compliance

For companies operating in Moldova, it is important to ensure that explosion-proof equipment complies with ATEX, IECEx, or TR CU (EAC) standards. Certification services are available locally through SGS Moldova, which can provide conformity assessments and facilitate approvals for international trade .

Additional International Suppliers
• IEP Technologies – Specializes in explosion protection systems for combustible dust and vapor, offering suppression, isolation, and venting solutions suitable for industrial plants .

• RSBP spol. s r.o. – Provides fire and explosion protection for industrial equipment, including risk detection and preventive solutions .
Summary

For reliable explosion-proof distribution boxes in Moldova, consider BARTEC and Extol International for certified, high-quality solutions, and explore local distributors of Schneider Electric, Lovato Electric, and ABB for European-manufactured products. Ensure all equipment meets ATEX, IECEx, or TR CU standards for safe operation in hazardous environments.
