

## List of South Asian Optical Cable Manufacturers

### Overview

Top 100 Fiber Optic Cable Manufacturers in India (2026) | ensunDiscover all relevant Fiber Optic Cable Manufacturers in India, including FIBER OPTIC SERVIC.

### Key Takeaways

Key South Asian optical cable manufacturers include Sterlite Technologies, Finolex Cables, Hitech Cables, and LS Cable & System, among others.

#### India-Based Manufacturers

- Sterlite Technologies Limited (STL): A leading Indian manufacturer of optical fiber and fiber optic cables, STL specializes in high-speed data transmission solutions and network infrastructure for telecom and enterprise clients. They are known for FTTH, submarine, and long-haul optical cables.
- Finolex Cables Ltd.: Offers a wide range of fiber optic cables, including indoor, outdoor, and specialty cables for telecom and industrial applications. They have a strong domestic presence and export capabilities.
- Hitech Cables Ltd.: Manufactures optical fiber cables, power cables, and specialty communication cables, serving both domestic and international markets.

- Polycab India Ltd.: While primarily known for electrical cables, Polycab also produces optical fiber cables for telecom and broadband networks.

#### South Korea-Based Manufacturers

- LS Cable & System: One of South Korea's largest cable manufacturers, LS Cable & System produces fiber optic cables for telecommunications, submarine applications, and specialty industrial uses, with a global market presence .

- Taihan Fiberoptics Co., Ltd.: Specializes in high-performance optical fibers and cables for telecom, data centers, and industrial applications, with a focus on innovation and next-generation fiber technologies .

- SUNGPOONG CABLE: Established in 1999, the company develops high-quality fiber optic cables and related communication solutions for domestic and overseas markets .

- HYESUNG Cable & Communication Inc.: Focuses on manufacturing and supplying communication cables, including optical fiber cables, with export experience across multiple countries .

- NURIFONS Co., Ltd.: Provides fiber optic, FTTH, and power products, emphasizing high-quality manufacturing and telecommunication solutions .

- UBCS Co., Ltd.: Offers wireless communication solutions and fiber optic connectivity products, contributing to network infrastructure development .

#### Other Notable South Asian Manufacturers

While South Korea and India dominate the South Asian optical cable market, other countries in the region, such as China, Taiwan, and Singapore, also host manufacturers like Shenzhen Necero Optical Fiber and Cable Co., Ltd., which supplies optical cables and components globally .

These companies collectively cover a wide range of optical cable products, including FTTH, indoor/outdoor, submarine, and specialty cables, supporting both domestic and international telecommunications infrastructure. They are suitable for network rollouts, 5G deployments, and high-speed data center connectivity.
