

Price of Optical Cable Mid-Terminal Box

Overview

Amazon.com: Fiber Termination Box Fiber Optic Wall Mount Box with LC Couplers for Single Mode & Multimode Fiber Optic Cable. | Fiber Box Enclosure for MPOE'.

Key Takeaways

Optical cable mid-terminal boxes typically range from \$15 to \$120 per unit, depending on port count, material, and installation type. Price Overview

The cost of a mid-terminal box varies based on port capacity, material, and features:

- 8-Port FTTH Distribution Box: Compact, wall-mounted, suitable for indoor/outdoor use, made from high-strength engineering plastic. Typical price: \$15-\$35 per unit .
- 12-Port Fiber Optic Terminal Box: Wall-mounted, made of durable PC plastic, supports splice trays and pigtails, suitable for FTTH mid-span cables. Typical price: \$25-\$50 per unit .
- 24-Port or Larger Terminal Boxes: Often made of cold-rolled steel with plastic coating, suitable for multi-storey buildings or high-density networks. Typical price: \$60-\$120 per unit .

Factors Affecting Price

- Material: Plastic boxes are lighter and cheaper, while steel boxes offer higher durability and security.
- Port Count: More ports increase the cost due to additional adapters and splice trays.

- Installation Type: Wall-mounted boxes are generally less expensive than rack-mounted or 19" cabinet-mounted boxes .
- Indoor vs Outdoor: Outdoor boxes with waterproof and UV-resistant features cost more.
- Accessories: Pre-installed splice trays, PLC splitters, and adapters can increase the price.

Additional Notes

- Many suppliers offer customized solutions and pre-assembled boxes for faster deployment .
- Prices may vary by region, shipping, and supplier. Bulk orders often reduce per-unit cost.
- For precise pricing, contacting suppliers like EFB-Elektronik, Topfiberbox, or Fiberinthebox is recommended, as they provide technical consultation and quotations . In summary, mid-terminal optical boxes are affordable for small-scale installations, while larger, high-capacity boxes for enterprise or multi-dwelling units are more expensive due to additional features and materials.
