

The company that makes electrical distribution boxes

Overview

EBOX E•Box has been manufacturing UL rated electrical enclosures for over 35 years. What sets us apart is our Pioneer CEP • Pioneer Power SolutionsPioneer.

Key Takeaways

Leading manufacturers of electrical distribution boxes include Schneider Electric, Hammond Manufacturing, Rittal, ABB, Eaton, Legrand, Siemens, and SENTOP.Top Global Manufacturers

- Schneider Electric: Offers a wide range of electrical enclosures and distribution boxes for industrial, commercial, and residential applications, with a focus on energy efficiency and safety .
- Hammond Manufacturing: Known for durable power distribution enclosures, racks, and cabinets suitable for harsh environments and industrial use .
- Rittal: Produces enclosures for power distribution, IT infrastructure, and industrial automation, including solutions with fire protection and temperature control .
- ABB: Provides electrical distribution boxes and enclosures with global certifications, widely used in industrial and commercial sectors .
- Eaton: Offers modular and wall-mounted distribution boxes designed for safety and long-term durability .

- Legrand: Specializes in electrical distribution systems and enclosures for residential and commercial applications .
- Siemens: Manufactures a variety of distribution boxes and enclosures for industrial and infrastructure projects .
- SENTOP: Focuses on innovative and customizable distribution boxes for diverse electrical applications .

Other Notable Manufacturers

- Pentair: Provides enclosures for automation, water treatment, and food processing industries .
- Youngo Electric Co., Ltd.: Offers metal and plastic distribution boxes, waterproof and MCB types, with customization options .
- NVent Hoffman: Known for high-quality electrical enclosures and power distribution units .
- J&HW Group: Supplies distribution boxes with global certifications and custom options .

Key Considerations

When selecting a manufacturer, consider:

- Certifications: UL, IEC, CE for safety and compliance .
- Material and durability: Metal or plastic enclosures, waterproof and dustproof ratings (IP54-IP68) for environmental protection .
- Customization: Size, design, and modularity to fit specific project requirements .
- Support and service: Availability of technical support and after-sales service for installation and maintenance . These companies provide reliable solutions for residential, commercial, and industrial electrical distribution needs, ensuring safety, durability, and compliance with international standards.

EBOX

E•Box has been manufacturing UL rated electrical enclosures for over 35 years. What sets us apart is our

Pioneer CEP • Pioneer Power Solutions

Pioneer Custom Electrical Products Corp. (Pioneer CEP) was established to serve electrical distributors, with a particular focus on

AMtec Industries – Custom Control and Power Distribution Solutions ...

Drawing on 40 years of continuous operation and experience, AMtec designs and builds power control systems, power distribution

Electric Boxes Manufacturers and Suppliers in the USA and Canada

Custom manufacturer of fire and NEMA rated electrical boxes made from powder-coated aluminum, carbon and

101 Junction Box Manufacturers in 2026

The company's product portfolio includes a comprehensive range of electrical distribution systems, from switchgear and panels to

EBOX

The Leading Source of Electrical Enclosures for Wholesale Distribution Welcome to E•Box, where speed,

Top Electrical Enclosure Manufacturers: 2026 Buyer Comparison Guide

As industries continue to modernize in 2026, the demand for reliable electrical enclosures is growing rapidly across

Complete Guide For Distribution Boxes Types

These boxes house various circuit breakers, protective devices, and sometimes meters, which collectively manage and distribute

Custom OEM Electrical Panels & Power Distribution Units | Paneltronics

Manufacturer of custom electrical panels, power distribution panels, power distribution units, box-build assemblies, Electrical Panel

Electrical Distribution Boxes for Power Distribution

The Wieland distribution boxes, in compliance to IEC 61439, together with our installation connector

17 AC Distribution Box Manufacturers in 2026

E-abel Manufacturer AC distribution box Website Company Profile Manufacturer Overview E-Abel, a brand of Elecprime Ltd.,

Top Distribution Box Manufacturers Compared for 2025

The top distribution box manufacturers in 2025 are SENTOP, Schneider Electric, Rockwell Automation,

Top 6 Distribution Box Makers with Innovative Features

See the best distribution box manufacturer picks for 2025, featuring top brands with advanced safety, smart

Custom Power Distribution Box Manufacturers | J&HW Group

Discover reliable power distribution box manufacturers and custom power distribution solutions for every need.

EWJ - Custom Electrical Enclosures & Waterproof Distribution Boxes ...

EWJ are a professional metal enclosure manufacturer providing electrical enclosures, aluminum enclosures, stainless steel junction

Electric Boxes Manufacturers and Suppliers in the USA and Canada

Distributor of electric boxes. Types include signal and excitation trim and digital diagnostic junction boxes. Features

101 Junction Box Manufacturers in 2026
